Dear Carol:

Once again I am able to take great delight in informing you that an anonymous donor has donated a gift of stock valued at \$5,212.35 to Neighbors, in honor of the Woodbury Chorus and Orchestra.

As has been the case in the past the donors wish to remain anonymous but have asked me to tell you that it was the WCO, and your long-standing tradition of raising money to benefit food shelves in the communities in which you perform, that inspired them to give us this gift.

I believe that when the WCO performed at St. Stephen's Church in West St. Paul on November 3 I noted that it would not be long before you passed the \$400,000 mark in funds raised by the Chorus and Orchestra on behalf of food shelves. If I'm not mistaken, this gift puts you well over that mark. A phenomenal accomplishment and one in which all of you should take great pride.

Thank you for all you do on our behalf.

Very truly yours,

John Kemp
Executive Director
